## Education

---

### Parul University

*Bachelor of Technology in Computer Science*

Vadodara, Gujarat

*Aug 2023 – May 2027*

- Actively building full-stack web applications and improving programming skills through projects and coding platforms.
- Developing strong problem-solving and analytical abilities through continuous technical learning.

### Sri Shankar College

*Intermediate (Science)*

Sasaram, Bihar

*2020 – 2022*

- Completed higher secondary education with focus on Mathematics, Physics and Chemistry.

## Technical Skills

---

**Languages:** C, C++, JavaScript, Python

**Web Development:** HTML, CSS, JavaScript

**Frameworks:** React.js, Node.js, Express.js, Flask, Django

**Database:** MongoDB, MySQL

**Concepts:** Data Structures, Algorithms, REST API, Authentication, CRUD

**Tools:** Git, GitHub, VS Code, MySQL Workbench

## Coding Profiles

---

**LeetCode:** [leetcode.com/u/priyanshu18455](https://leetcode.com/u/priyanshu18455)

**Solved 200+ Data Structures and Algorithms problems covering arrays, strings, trees and graphs.**

**Codolio:** [codolio.com/profile/Priyanshu@45](https://codolio.com/profile/Priyanshu@45)

## Projects

---

### Employee Management System (EMS) | MERN Stack

- Developed a full-stack Employee Management System using MongoDB, Express.js, React.js and Node.js.
- Implemented secure authentication using JWT and Google OAuth with protected admin routes.
- Built RESTful APIs to manage employee records and attendance operations.
- Designed responsive React.js dashboard with employee search and filtering functionality.

### Image Editor Web Application | Python, Flask, OpenCV

- Developed a web-based image editor using Python and Flask for performing image processing operations.
- Implemented image upload, crop, resize, rotate and filter features using OpenCV.
- Enabled users to preview and download edited images directly from the browser.

### Basic Calculator | HTML, CSS, JavaScript

- Built a responsive web-based calculator supporting basic arithmetic operations.
- Implemented addition, subtraction, multiplication and division using JavaScript logic.
