Summary

Computer Science undergraduate with strong problem-solving skills and hands-on experience in Full Stack Development, REST APIs, and scalable web applications. Skilled in C++, Python, JavaScript, Django, MERN Stack, and Flask with solid understanding of Data Structures and Algorithms, OOPs, DBMS, and Operating Systems.

Technical Skills

Languages:	C, C++, Python, JavaScript
Frontend:	HTML, CSS, React.js
Backend:	Node.js, Express.js, Django, Flask
Database:	MongoDB, MySQL
Core Concepts:	DSA, OOPs, DBMS, Operating Systems, REST APIs
Tools:	Git, GitHub, VS Code, Postman

Projects

Major Project: Smart Krishi Mitra Django, AI

- Developed AI-powered agriculture assistant for plant disease detection using image processing
- Implemented crop recommendation system using soil and weather data
- Integrated real-time weather API and medicine recommendation system

Major Project: Employee Management System MERN Stack

- Built full-stack employee management platform using MongoDB, Express.js, React.js, and Node.js
- Implemented authentication and protected routes for secure access
- Designed responsive dashboard with employee management functionalities

Minor Project: Image Editor Web Application Python, Flask

- Developed web-based image editor using Flask and OpenCV
- Implemented image processing features including crop, resize, and filters

Minor Project: Simple Calculator HTML, CSS, JavaScript

- Developed responsive calculator web application supporting arithmetic operations
- Designed user-friendly interface with interactive buttons and display screen

Coding Profiles

LeetCode: leetcode.com/u/priyanshu18455 Solved 200+ DSA Problems

Codolio: codolio.com/profile/Priyanshu@45

Education

Parul University Aug 2023 – May 2027

Bachelor of Technology in Computer Science Engineering

Sri Shankar College 2020 – 2022

Intermediate (Science)

Training / Internship

Full Stack Development Training

- Learned MERN Stack development and REST API integration
- Worked on frontend and backend application development
- Gained practical experience in authentication and database connectivity

Achievements

- Solved 300+ DSA problems on LeetCode
- Developed AI-powered Smart Krishi Mitra agriculture system
- Strong understanding of problem solving, debugging, and backend development

Certifications

- NPTEL Certification in Computer Networks and Internet Protocol from IIT Kharagpur
- Data Science and Analytics Certification from HP LIFE and HP Foundation
